c/o Mountain View High School

Dear Jonathan –

Congratulations! You have been selected for a \$350 grant to support your wrestling activities in 2014 – 2015.

The Eric Monday Memorial Wrestling Foundation fosters opportunities for young wrestlers who strive to develop their mind, body and spirit while raising up fellow participants.

The Foundation awards periodic grants based on combination of criteria including commitment to wrestling, demonstration of leadership, personal achievements, goals with wrestling and goals after wrestling.

The Foundation board has been impressed by your dedication to the sport, your rapid advancement since beginning several years ago, your commitment to music and your solid GPA.

It is our fervent hope that you will keep this grant in mind as a positive reinforcement of your efforts to achieve, but also to lift up those teammates and others you may have the opportunity to influence positively. We hope you have a terrific season, a terrific wrestling and help others grow through our unique sport.

Sincerely,

Brian Monday
President
